May 13, 2020

To Grant Township Residents,

Until further notice, the Grant Township Hall will not be open to the public due to the Governors "stay home order" EO 2020-77 in reference to COVID 19. Our elected and appointed officials will continue working in order to perform necessary government activities. Other Township employees will only work in person if critically necessary, to help with these necessary government activities. If residents or others have questions on Township services they may call the respective Township officials pertaining to such requests. This message and further contact information can be seen on the Township website at grant-township.org.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dan Dysinger', written over a white background.

Dan Dysinger
Supervisor
